Price from: Auf Anfrage €

The Radama Islands are a volcanic archipelago located approximately 45 miles from Nosy Be. With a full crew on board, you can enjoy your vacation without any worries, as the skipper is very familiar with the area. Explore these beautiful islands in the Indian Ocean and make the most of your Day trip!

Travel Days

Day Description	Images
Day 1: Nosy Be – Nosy Tanikely-Nosy Komba Boarding the catamaran moored at the crater (Ambatoloaka, Nosy Be). Crossing to the **Marine Protected Area of Nosy Tanikely**, known for its rich coral reefs frequented by **sea turtles**, a famous diving spot. Snorkeling during the morning lunch on board and continuation of the crossing towards **Nosy Komba** (an island of volcanic formation with a height of 680 meters, famous for its craft market and lemur reserve). The night will be spent in Nosy Komba.	

Day Description	Images
Day 2: Nosy Vorohona-Nosy Faly Start your day in Nosy Komba and depart in the afternoon to **Nosy Vorona** before reaching the sacred island of **Nosy Faly**. Here on Nosy Faly, you will find a remarkable subspecies of **Panther Chameleons**. Considered sacred in Malagasy beliefs, the island's ecosystem is treated with great respect. The ecosystem of the island is best preserved by the locals and the establishments settled there, most of which are eco-lodges. **Breathtaking Views** After a short walk, climb the abandoned lighthouse on the island to enjoy a 360° view of the island and its neighboring islands. Witness the sunrise and sunset for an unforgettable experience! **Nosy Vorona - Far from the world yet close!** The island of **Nosy Vorona** is only a 15-minute	

Day Description	Images
Day 3: Nosy Faly-Nosy Fanihy-Andilana Departure from Nosy Faly after lunch towards Nosy Fanihy, crossing the coast of Nosy Be. Nosy Fanihy, a small island in the Nosy Be archipelago, offers an exceptional space for lovers of peace and openness. Few people and a setting worthy of a postcard are on the agenda. An uninhabited island A small uninhabited island, it is sacred to the locals. It offers a magnificent white sandy beach where colorful corals and shells wash up on the shore. As a true Robinson island, you will feel like the first explorer of the island. Overnight in the bay of Andilana, Nosy Be.	

Day Description	Images
Day 4: Ankazoberavina – Nosy Antsoa-Nosy Ankyvongy Early morning crossing towards **Nosy Ankazoberavina**, the island declared a marine protected area and known for the nests of sea turtles on the beach and the lemurs populating its forest. Visit to the island, snorkeling. After lunch, fishing activities, then departure from the protected area. Visit to **Nosy Antsoa** and **Ankyvonjy**, completing this small archipelago, islands populated by various species of seabirds (frigate birds, ospreys), followed by a peaceful navigation to the Bay of Russians.	

Day Description	Images
Day 5: Nosy Iranja – Baramamay In the late morning, we will depart for Nosy Iranja, the furthest island completing the archipelago of Nosy Be. Nosy Iranja is characterized by a very white sandy isthmus that connects the two small islands at low tide, and crystal clear water perfect for swimming. The main island features a small village and a lighthouse that can be visited, offering a magnificent view of the entire coast. Overnight stay on the coast near Baramamay.	

Day Description	Images
Day 6: Nosy Be – Nosy Sakatia **Nosy Sakatia, the Orchid Island** Located on the west coast of Nosy Be, on this island you will find a preserved, protected, and classified ecosystem due to the wonders it contains. There are postcard-worthy beaches, rare birds, and endemic plants, and the locals will be sure to let you discover the island they are so proud of. Explore the fauna and flora of the most authentic island of Nosy Be with a local guide. Hike across the entire island, visit fishing villages, stroll through the vanilla, coffee, or orchid plantations for which the island is famous, and try to tame a lemur at the bend of a forest. The guide will explain to you the rituals and customs of the island, so you can know all its secrets.
